

LAC+USC MEDICAL CENTER

Employment Opportunity

Nurse Manager Perioperative Services

Job Responsibilities:

- Participates in the development of goals and objectives for Perioperative Services
- Participates in establishing, implementing and maintaining standards that ensure safe and therapeutically effective nursing care of the patients in the Operating Room
- Promotes patient and family advocacy
- Maintains nursing records and reports
- Participates in development, review, revision, and implementation of policies and procedures for the Operating Room
- Plans and implements all care requirements for a highly technical and advanced Specialty Operating Room service
- Evaluates employees directly under their supervision

Desirable Qualifications:

- Recent Operating Room Clinical experience
- Recent Operating Room Leadership and Supervisory experience
- Excellent interpersonal skills and positive demeanor
- Strong organizational, team building, critical thinking and conflict resolution skills
- Strong nursing and patient advocate
- Assertive, self-directed, and able to work independently

Candidates must currently be a permanent County of Los Angeles employee who hold the payroll title of Nurse Manager to be considered for a lateral transfer or a reachable candidate on the DHS certification list to be considered as a new-hire.

Resumes will be accepted until the needs of the department are met.

Interested applicants, please submit a letter of interest, resume, copy of last two performance evaluations and time records for the past 24 months to:
